Message from the Editor

Hi everyone,
So, for most, it's the last week of work for 2012. Hope you've all had a good year. This last edition of our newsletter for the year is packed with highlights from the year end function. What a great evening! Please don't forget to take loads of pics while on holiday to include in next years newsletter. I myself will be spending an evening at Gariep Dam while traveling, and will take a pic of the Seagos there. Lets see how many other pics we can gather of WRP staff and water related things to include.... come on engineers, get imaginative! Have a great Christmas and New Year break, see you in 2013
