New projects

It appears WRP is venturing north of the Limpopo in 2014 with the WDM section been awarded a project in Zambia, and the WR section picking up work in the Save catchment (Zimbabwe and Mocambique). Well done to those who assisted in pulling in these new jobs.

A group of 25 hikers undertook a four-day, 85 km hike in the greater Cape Town area in November 2013. The group that included environmentalists, scientists, celebrities, comedians, musicians, journalists and representatives from many supporting companies and organisations, was taking part in the Journey of Water walk that literally traced the path of local water from source to tap. Zama took part in this walk that was organised by the conservation group WWF-SA.

"We care" initiative

WRP is currently the lead consultant on the award winning "Project Boloka Metsi", which is being implemented in the Sebokeng and Evaton area of Emfuleni Municipality. The project aim is to save water and ensure sustainable water supply in the municipality. Unfortunately, Sebokeng and Evaton are home to a large indigent population and as part of the WRP "we care" initiative, the water conservation warrior team and WRP sponsored uniforms for 2 little grade one learners, Mangaliso and Neo, entering grade 1 from poor families in the community. WRP encourages a culture of caring and actively participating to positively change the lives of the people we come into contact with.

Funnies!

Some people preferred to stay home and cool down in the swimming pool during their December holiday!!

Our Deepest Condolences

Manie's mother in law passed away recently. Our thoughts and prayers are with Manie, Gerda and the rest of the family.

Our thoughts are also with both Cantelle and Mathilda's and her families. Mathilda's grandchild passed away unexpectedly on the 5th of February 2014

Chantelle's grandma also passed away on 21 February 2014.

We pray their souls rest in peace and their families find comfort at this very sad time.

"Even when walking through the dark valley of death I will not be afraid, for You are close beside me, guarding, guiding all the way." Psalm 23:4
